TE-2191

Dear Paul:

We concur with your letter of 23 January 1961 to exclude burden costs in your future requests for purchase of M & S and equipment.

Your letter of 19 January 1961 regarding a cost increase of \$60,000 and contributing factors has been reviewed and approved.

We realize that existing funding has been exhausted and we anticipate issuance of an Amendment covering additional funding within the next couple of weeks.

Your cooperation in this interim unfunded period is greatly appreciated.

Very truly yours,
